

Navigo[®]

Interactive Touchscreen Solutions, Inc. is a leading provider of touchscreen wayfinding and informational kiosk systems. We offer high-end, sophisticated solutions including free-standing cabinetry, weather-resistant kiosks for indoor or outdoor use and wall-mounted units for buildings with limited space. All ITS standard enclosures and cabinetry are fully ADA compliant.

Please contact ITS at 1-800-652-4830 to learn more about our custom enclosures and cabinetry options.
